**On The Makarska Bus Station There Are Smaller Crowds In The Departure Of Guests On Lines Towards Farther Away Destinations For Which Additional Tickets Are Needed.**

The 1st September weekend on the Makarska coast is in the marking of the first Sep shifting of guests with a seriously bigger number leaving than coming. On the state road D8 today there aren't any large traffic nightmares, and driving is done in shorter damaged lines without jams and constraints. It is the same on the lines Makarska Vrgorac and on the Duci street estanovac to the road. The ferry on the line Makarska Sumartin sails still only today according to the seasonal schedule and boarding is done without waiting as well as on the line Drvenik Su263;uraj on the island of Hvar.

You surely know that [Makarska](#) is a fascinating Croatian tourist centre of Makarska Riviera, located in the guts of Dalmatia, widely known for its natural and climate traits, rich cultural and historic heritage and also heterogeneous tourist offer and kind hosts.

Besides enjoying the sun, untouched nature and sea and different attractions the offer includes ultimate accommodation in top-quality residences, studio flats and rooms.

Considering its geographical position Makarska is an ideal beginning position for numerous excursions to near by places, irrespective of if You decide to visit the islands or some of the places with different natural and cultural beauties as well as rich traveller offer.

There is no place in the entire Mediterranean area with a such made and noticeable contrast of the sea and coastal area and Biokovo Mountain that stands vertically above the entire town of Makarska and represents an unrepeatable mix of the sea, greenery and vertical stone cliffs.

In just one day You can both lie nicely on the beach and in the afternoon enjoy rememberable nightfall and stunning view of the Middle Dalmatian islands and whole Riviera from the slopes of the proud mountain. Those interested in an active sort of holiday can enjoy a fascinating offer of plenty sport programs with different probabilities on the beach, in the town, on the Mountain as well as in the near by places.

Folks from Makarska are called good and kind hosts, the town itself is feted for its cultural, sport and entertaining manifestations and is also well generally known as a well-liked centre.

This suggests that here You will find a good choice of traditional gastronomy, home-produced food and drinks served in bistros, konobas and other consents Makarska is known for.

For the explanation of glorious climate conditions and terrains many athletes train and prepare themselves here and even a larger number of folks visit us because of our rememberable entertainment, countless feasts and other events.

On the Makarska bus station there are smaller crowds in the departure of guests on lines toward further away destinations for which additional tickets are needed.

Furthermore, according to info from the hoteliers which are accommodating more than twelve thousand guests and the post-seasonal business is continuing with prices lower than 10 to 15 % in relation to the top of the season and with fundamentally occupied accommodation units, as well as info from tourist offices, the summer on the Makarska coast continues with over 26,000 guests which are mostly foreigners.

Makarska, according to the words of the director of the holiday maker office, Davor Glavine, close its 8 month business activities with 107,095 tourist arrivals and 727,684 realized overnite stays. Re last year, the arriving of guests was thirteen p.c more, and the realized overnite stays was eleven p.c more than in the 1st 8 months of last year, added Glavina.

In hotels Makarska which are also continuing with their post-seasonal business activities, they are mostly working with occupied accommodation capacities, asserted this morning the director Joko Lelas, and they are also pleased with the effect over the past 8 months. In the hostels of Hostels Makarska, there were 157,376 tourist overnite stays realized which was the plan of the hotel company. Especially good business was done in Hotel Meteor, where by the end of August, 67,446 overnite stays were realized, added Lelas and announced quality business activities of the hotel in the continuance of the post-season, writes [tagza.com](#).
