# Passport Renewal during Expiration Date

If you need to renew your passport, there is no need for you to wait for the exact date when your passport will be expired. You can apply for new passport easily right before its expiration date. Some people are thinking that passport renewal is so hard but it is not the real thing. With the help of new technology, one can even renew their passport via email. There is a little documentation you will need in order to renew your passport using email. You need your original passport that is not yet expired along with the mailing envelope and two passport size pictures too. Here are several ways you can use so that passport renewal will be easier for you even before the expiration dates come:

- The first thing that you need to do is to look for your old passport. You do not to worry sending your old current passport, because it will be sent back to you along with your new passport. There is no need to be stressed out because there are ways to make the transit procedure faster and worry free but of course you need to spend a lot in this type of process.

- Another thing you need to know is the importance of the passport photo that you are going to send. It is imperative to send passport photo that is new. Passport photos can be located anywhere and it is cheaper, so there is no reason for you not get a current passport photo. The format of this kind of photo should be 2-inch by 2-inch picture. If you are wearing eyeglasses, you need to take it off first because it is not acceptable for passport photos.

You can get the application easily online. There are different government agencies with their own websites. These agencies are offering application for passport renewal. You can download the application form from the website and have it printed directly on your own printer at home. You just need to make sure to complete all the documents that you need and fill up the application form properly in order to avoid any problem along the process. To avoid future problem it is recommended for you to double check the application form before mailing it. Remember, you should use the proper trusted website to deal so that you can avoid any unwanted difficulties.

This is the website where you can get information:
