Prasonisi, Rhodes Island - attraction for visitors

Rhodes Island is famous for the beauty of Prasonisi, which is located near the Aegean Sea. Road wise, it is located at the distance of 95 kilometers southern from Rhodes town and 12 kilometers far from the village Kattavia. The place is really best for the tourists and has a natural beauty in its real sense. The meaning of Prasonisi in Greek language is Green Island. The meaning shows that it is green seacoast all around. The weather conditions really suits the kite flying there.

The Island keeps on changing its mood as the weather keeps on changing throughout the year. Prasonisi, Rhodes Island is more attracted in the summer season because the water level becomes lower. On the other hand, it becomes an island at winter time, when water level gets higher.

Sea Cost: The Sea-Cost along with the rolling hills and sandy beach gives us the beautiful view of nature. Rhodes is linked to Prasonisi through the sandy beach that covers 500 meters from both sides. 'Wave' beach and 'flat' beach are the two types of beach that you can see there. At Prasonisi, there is light house, which is very old and designed in a wonderful manner.

Weather Conditions: Having moderate weather, Prasonisi keeps a lot of attraction for tourists. Wind of around 4 to 6 Beaufort is the major part of its weather.

Water Sports: Windsurfing and kite surfing are most popular water sports of this place. For a surfers delight, the high tides that often rise as high as 4 meters provide the best surfing conditions. Kite surfers are delighted at the beach due to the fast flow of wind. The place has many other activities along with the sea water. Wonderful events are an attraction for the tourists that come from far places.

Facilities at Prasonisi: You can see that the nearest village Kattavia is best for providing all types of facilities to the tourist. Facilities include motels, restaurants, and stores. Tourists can also find Windsurf rental accessories in windy season. An old settlement Vroulia is located near Prasonisi that enclose an old mosaic tiled floor.

How to get there? In order to arrive at Prasonisi you have to reach the town of Rhodes. The Rhodes town then leads to the small village of Kattavia. As you reach Prasonisi, you can actually have the feeling of paradise on earth.
