Stockholm - A Refreshing Change To Metropolis Trips

There really is no other city like Stockholm, a city famous for its green areas, stunning Scandinavian architecture, colorful buildings, and heterogeneous city inhabitants. The city is spread over 14 islands, and it's all connected by many bridges. Stockholm is one of those places where both adults and children can have fun, but if you plan on bringing children under 18, they will need a passport. With the help of [expedited child passport](#) delivery, you and your family can be ready to travel in no time.

For those lacking a passport for an adult or for a child, online passport services can help speed up the process drastically. Not only can they get you a passport fast, but they make it easier to get one in the first place. All it takes is a few minutes on your computer. You get to decide what sort of passport service you need as well as when you'd like it delivered. Any sort of passport service you could ever need is available online to be expedited, such as replacing a lost United States passport.

Stockholm is famous for its natural beauty. About 30% of the land is green areas, while an additional 30% is comprised of the waterways that weave through the city. Lauded as having some of the cleanest air in the Europe, you can expect to be free of smog, vehicle exhaust, and other forms of pollution, and because of this, walking or bicycling are two great ways to explore. Don't miss out on Millesgarden, an all-in-one art and antique gallery and sculpture garden while you're exploring. Amidst the sculptures, you'll find columns, beautiful gardens, terraces, and fountains.

Gamla Stan is the Old Town or historical district of Stockholm, and it is where you'll find several of the most important landmarks and buildings. For instance, the Royal Palace is located in Gamla Stan. This palace is famous for its posh and ultra-luxurious royal apartments and the priceless treasures of the Treasury. Along the cobblestone streets, there is a lot of cute cafes in which to grab a bite to eat, as well as stores to do some shopping in. Beautiful churches and museums covering a spectrum of different subjects are also found in Gamla Stan.

A different way to really become acquainted with Swedish history is by visiting the Skansen Open-Air Museum. This was the world's first open-air museum, and it takes visitors back to the 19th century, with people dressed in clothing from this period and making handicrafts and food, such as fresh-baked bread. There is also a little zoo featuring some of Scandinavia's most famous wildlife, including bears and lynxes.

Be sure to visit the beautiful Drottningholm Palace and Court Theater, an official UNESCO World Heritage Site. This 18th century palace and the surrounding gardens are perched right on a lake, and there are tours available that can teach you all about the history and modern relevance of the site. In addition to seeing the palace, being able to relax and enjoy the laid-back atmosphere in the gardens is a huge benefit for a weary traveler.

If you are looking for a vacation in which you can explore a beautiful city and discover all its secrets while experiencing the fresh air, consider traveling to Stockholm. Remember to get passports for both adults and children, though. With the help of expedited child pass port delivery, it becomes easy. While you're there, you can also get other services, like [lost United States passport](#) replacement.
