The Best Hotels in Vegas!

Las Vegas is the gambling capital of the world, filled with some of the most luxurious hotels. The great thing about Las Vegas is that you have such a wide variety of hotels to choose from. One of the great aspects with Las Vegas, is that although you can spend a lot of money at the casinos, the hotels are actually quite modestly priced. All you need to try and do now, is resist losing all of your money at the Casino! [Las Vegas holidays](#) are the best for having a little extra spending cash.

- This is by far the most famous hotel in Las Vegas. Home to almost 4000 rooms the Bellagio is rarely short on space. The Bellagio has a massive 6 acre lake that sits just outside the front of the hotel. The reason that this lake is prominent is because on the inside, there are a whole host of leaping water fountains. This hotel is definitely for those of you that want the higher lifestyle while in Vegas.
- The Grand hotel at the MGM: This has been previously voted as the top luxury hotel in the US. This hotel is very well known for providing the most amazing Vegas Experience with the staff and the casino itself providing the most stunning experience. The Entertainment and nightlife is also a very popular feature at this hotel.
- Caesars Palace: A very cleverly created hotel, that really takes you back in time, yet keeping you up to date with modern technologies. This hotel constantly wins awards for the level of service that all of the staff provide.
- It will probably come as no surprise to you but this next resort has been modeled on many of the different hotels in Venice; the Venetian Resort. This resort boasts some of the most awe inspiring and shocking luxurious settings and sceneries. There is even the option to take a gondola ride around the hotel in a canal.

[USA holidays](#) are very popular around the world, and [Fly Drive USA](#) holidays are some of the most popular from Europe.
