Things are all prepared for your wedding and now it is time to decide where to go for your honeymoon. As you'll realize - nothing could possibly be better than to spend time with one another on a romantic getaway!

This trip is very different from a typical vacation. It is a really unique trip when everything should turn out to be perfect, as it is probably the most memorable time in your life. Your honeymoon spot must be very special and unique, and most importantly, it should be in equilibrium with your internal world and the emotional state. Whether it is on a remote beach front or perhaps in an urban city, high in the mountains or next to a forest river - the choice should be the representation of your dreams and emotions.

Taking a trip on your honeymoon, you're going to get fantastic chance getting to know new locations and stay close to one another. It is very critical to determine what your wishes are to get them to become a reality on your honeymoon. First, you have to make a choice which places you want to go. It is usually preferable to take an intimate vacation to the locations where you haven't been before. You need to determine if you would like to be on your own away from the civilized world, or to be in popular areas. You can start your very romantic trip at a beach front resort and conclude it in a city with its attractions and radiant nightlife, basically - be all by yourselves for a little while and then switch into a fun and entertaining environment. So precisely what kind of [honeymoon ideas](#) to consider to find the best of both worlds?

South Africa: you probably learned about river Limpopo, the renowned Cape of Good Hope, the Table Mountain, overlooking remarkably stunning Cape Town, and Kooibos Desert where native bushmen up to this day hunt with the help of bows and arrows. The country is definitely unique: polar penguins and fur seals are living near antelopes, zebras and flamingoes, and if you go to see state parks, you can observe elephants, rhinos, buffalos, lions and leopards in their home environment.

A great advice is to join the excursion program (safaris, Victoria Falls etc) with some relaxation on one of the tropical islands in the Indian Ocean.

New Zealand: this place is essentially Switzerland, Scandinavia, Ireland, Great Britain and Canada put together. This is the destination where you can find extraordinary natural beauty, which ranges from snowy mountain peaks and fjords, primitive lush forests and beautiful shorelines along with a number of uncommon animals, like kiwis. A visit to New Zealand is perfect for those who want to turn their honeymoon trip into a wonderful journey. Examples of activities include backpacking, skiing and rafting. You can go swimming with dolphins, do a little whale watching and sport fishing. The best time to go to new Zealand is from October to April.

The Maldives have a long deserved popularity for its gorgeous sandy beaches and clean azure water in shallow lagoons with vibrant marine life. Not surprisingly the most favored activity here is diving. And no matter which island you decide on for your tropical escape, you will probably be pretty surprised with the caliber of the resorts. The best time to travel to the Maldives is from December to April.
